

## OPIUM JOINT RAIDS.

The Police Determined to Blot Out These Dens.

ARRESTS MADE AT TWO OF THE PLACES LAST NIGHT.

Prisoners Not Prosecuted in the Police Court This Morning, But Warning Given That Prosecutors at What They May Expect If They Continue Their Present Policy—A Graple Raid.

This morning, between 1 and 2 o'clock, Sergt. Boyd and Detectives Dotsman and Kellher of the Central District made a raid on the hopjoints at 14 South Eighth street and the rear of 717 Walnut street, which are conducted by Jim Lee and

Robert Tucker. They were all sent to the First District Police Court on charges of playing craps, and had their cases continued until April 25. All of the negroes excepting Taylor are out on bail, Peter Morrissey, the saloon-keeper, going on their bond.

## DENIED THE WRIT.

The Court of Appeals Passes on Pocock's Application.

HOLDS THAT THE RIGHT PROCEDURE WAS NOT ADOPTED.

No Decision Given on the Question of the Sufficiency of the Charges—Method of Procedure Advised—A Jury Accused of Being Prejudiced—News of the Civil Courts.

The expected decision from the Court of Appeals was rendered to-day in the Pocock case and a writ of prohibition was refused. When court opened Judge Rombauer and Judge Bond were on the bench. Judge Beggs being absent on account of a slight indisposition. Hon. Nathan Frank and City Counselor Marshall were present, and were also Counsellors Arnold and Harris, Mr. Pocock and other interested parties.

The attorneys had prepared no arguments in the case at all, having been notified that they would not be necessary to-day. Judge Rombauer said that although Judge Beggs was absent, the remarks made would make the expression of the concurrent opinions of the whole court as arrived at in consultation yesterday afternoon.

The procedure adopted, he said, was not the right one in such a case. There was no question raised as to the jurisdiction of the court to try officers for cause, but the question was raised as to the sufficiency of the charges brought. If that was the question it should be brought in the form of a demurrer to the pleadings and charges filed in the City Court, and then if that failed, the usual certiorari proceedings would apply.

As to the sufficiency of the charges the court could not say, the judge said, pass upon the question was not properly before the court, so under the circumstances the writ would be denied and no opinion expressed by the court one way or another as to the charges presented.

Wiggins' Ferry Suit Dismissed.

The suit of the St. Louis Transfer Railway Co. and Edward Wright against Ernest Peuzner for \$775,000, brought by Hon. John M. Glover, was dismissed for lack of security for costs in Judge Withrow's court this morning.

This is one of a series of suits brought by Mr. Glover, as attorney for Edward Wright, against the officers of the St. Louis Transfer Railway Co. and the Wiggins Ferry Co. One was brought against John Scullin for the same amount and was also dismissed to-day for failure to furnish bond for costs.

The suits against Peuzner and Scullin were brought on the grounds that they were officers of both the Transfer Railway Co. and the Wiggins Ferry Co. and were therefore subject to the law and liable to be dismissed for every day they held the office.

No explanation was offered in court to-day by the plaintiffs' attorney, the dismissal being made on the motion of the defendants.

Claims the Jury Was Prejudiced.

A motion for a new trial has been filed by the plaintiffs in the case of John and Elizabeth Lee against the publishers, George Knapp & Co., for damages for the killing of their son, Robert Lee, in the Republic Building. A verdict of \$1,000 given the plaintiff was set aside by the court in a new trial, the trial only 1 cent damages was allowed. After setting out six of the usual reasons given to support a motion for a new trial, the plaintiff gives the following:

1. The verdict and damages assessed are the result of bias and prejudice on the part of the jury and are grossly inadequate and absurd.

2. The court erred in admitting a compromise entered into between the jurors.

3. The court erred in overruling plaintiff's motion to quash the special panel of jurors.

4. The court erred in allowing the defendant's attorney in his speech to the jury to improperly discuss the case in stating facts not before the jury and in allowing the defendant's attorney to read to the jury from a paper purporting to have been testimony taken before the coroner, which paper had not been introduced in evidence and which had not been identified as the testimony of the coroner, all of which was done over the objection of the plaintiff.

Arguments will be heard on both sides in a few days and the jury question given an other airing, which is expected to be of interest.

Margareth Heman's Will.

The will of Margareth Heman was admitted to probate to-day. She instructs the administrator of her estate to have her husband's remains and those of her deceased children removed from the City of St. Louis and buried in the new lot in Bellefontaine Cemetery. To each of her sons, Louis Heman, Theodore W. Heman and August H. Heman, she leaves the sum of \$1,000. To her daughter Emma, she leaves the sum of \$1,000. To her daughter Emma, she leaves the sum of \$1,000. To her daughter Emma, she leaves the sum of \$1,000.

Rural Knights of Honor Defeat the City-Bred Plan.

In this morning's session the Grand Lodge, Knights of Honor, made considerable progress. The City-Bred plan, which was reported adversely on proposition to change the basis of representation.

The measure had the support of the city lodges. It proposed giving lodges between the Water Board and the Polish laborers, who refuse to do place work or allow any others to, was renewed to-day. A motion was pending, when the noon recess was taken, to reduce the per capita tax from \$1.50 to \$1 a year. It was increased from 80 cents last year.

The Supreme Dictator, Col. Bellamy of Wilmington, N. C., and the Supreme Reporter, B. F. Nelson of St. Louis, were introduced by a committee. Col. Bellamy made a talk stating among other things, that the average number of applicants, since Jan. 1, has been over 1,000 a week.

Selection of officers was made a special order of business for 2 o'clock. To-morrow the lodge will visit the Merchants' Exchange. An invitation was also received to visit a prominent brewing establishment.

The "cravfish," hot-corn and "tamale" peddler will have to adopt other means of peddling his goods during the night, than by using his lung power. Several of the respectable families in the vicinity of Twenty-third and Chestnut streets, have entered a complaint against these nocturnal merchants, and Chief Harrison, to whom the complaint was made, has ordered Capt. Boyd to enforce the ordinance and prevent these hawkers calling out their wares in the still of the night.

The police officers in the neighborhood have been ordered to arrest any peddler who creates any unnecessary noise in the selling of his goods.

## WORKED AT THE SAFE.

Unsuccessful Attempt to Rob the Deegan Lumber Co.—Carondelet News.

Safe blowers entered the office of the J. H. Deegan Lumber Co., 748 Michigan avenue, last night, by means of a transom over a door leading from the office into the lumber yard. This morning the safe was found still locked. The burglars had started the combination lock, but had not succeeded in getting more than half way through when their drill broke. The police are looking for a steady-looking individual who has been hanging around Carondelet for several days and examining with too much care the offices where he supposed cash was kept over night.

Christopher O. Lloyd, 50 years old, a well-known builder residing at 646 Virginia avenue, fell from a scaffold on Michigan avenue, near Koenig avenue, where he was superintending the work. He was picked up by an unconscious condition and taken to his home.

Dr. Luytjes, who attended him, stated that he had sustained a concussion of the spine and a number of bruises, but would probably recover.

From McGuffey, colored, who was arrested for disturbing the peace in a Broadway saloon, was fined \$25 by Judge Meegan in the Carondelet Police Court, and in default was sent to the Work-house.

# Opening of the National League Championship Season.

## PITTSBURG TO START THE BALL ROLLING HERE.

Programme for the Opening Day—Officials Selected to Manage the Coming Fair Grounds Race Meeting—Frank Jordan Willing to Ride Yo Tambien—Sporting News of All Kinds.

The championship season will open tomorrow, when the St. Louis Browns will cross bats with their old-time enemies, the Pittsburgh Pirates. The Pirates are looked upon as likely to have quite a great deal to say in the matter of awarding the pennant this year. Their team is practically the same as last year, and this in itself is a great advantage, especially as so many of the men signed are notorious sluggers and quite skillful fielders. But Capt. Miller will give his old colleagues a task to down his team. He will be the proudest man in St. Louis if the Browns capture two out of three games from the Pirates and he will play the game of his life with this object in view. He is thoroughly acquainted with the weak points of the Pittsburgh team, and will give a series of pointers to the pitchers who will face them, which will materially aid in keeping the hits scattered and prevent the realization of the hopes of the boys from the Smoky City.

More than one Eastern prediction has been made assigning to St. Louis, Cincinnati, Chicago and Cleveland the best positions in the League this year. The prospects of Washington are certainly not very encouraging, but St. Louis is expected to give a very much better account of itself than these Eastern wisecracks anticipate. Miller at third strengthens the local infield to an extent not perhaps generally realized, and with Warden, Quinn, Kelly and the new signing of Robinson and other experts struck terror into the hearts of batmen who visited the city.

At the outfield, Frank Shugart and Dowd have been playing good ball. All three of these men have also been hitting the ball. In their batteries the Browns are head and shoulders above the average teams this year. Gleason, Hawley, Clark and Breitenstein all start in in the very pink of condition. Breitenstein and Clark should repeat their excellent work of past seasons, while Gleason and Hawley, with the advance in their batting work, may surprise the base ball world. Last year Buckley's bad arm and Plets's spell of fever left the Browns practically without catchers at one portion of the season, and they were certainly handicapped three months out of four in this respect. But in splendid condition this year, and he will be able to coach the young catchers, who will not fail to result in a marked improvement in their work. Buckley has also way of infusing good spirits and energy into the balance of the team, and this, in itself, will make his services invaluable.

Wells will also be better for a season's experience in a major league, and he should duplicate his excellent work as an all-around man. In Ruppold the Browns have also a third catcher of promise, and the team is exceptionally strong in this department.

The Pittsburgh boys, who face the Browns tomorrow, have a strong team. Their batting department is headed by Pat Killen, the famous left-hander, followed by "Red" Ehrt, Ed Campbell, Nicholas and Bob Terry. Connie Mack will do the bulk of the catching. He is one of the best catchers in the League. Mack Beckler is at first, while Lew Bierbauer, Jack Glascock and Denny Lyons complete the infield. The St. Louis boys will have the well-known pitcher, Jack Stenzel and Capt. Donovan constitute the outfield.

The Pittsburgh Club will leave Indianapolis to-night and arrive here to-morrow morning. They will be quartered at the Lindell Hotel. There will be a big parade of the Pittsburgh and Browns to-morrow morning, starting from the Lindell at 10 o'clock. The races will form in line at the Lindell and, with a band in the lead, the procession will march to the ballpark. The principal thoroughfare winding up at New Sportman's Park at 11 o'clock. There will be a concert by the band, beginning at 2 o'clock, the programme for which follows:

1. Overture, "Welcome," Sousa
2. Concert Waltz, "The Blue Bird," Sousa
3. Concert Waltz, "The Blue Bird," Sousa
4. Concert Solo, "The Blue Bird," Sousa
5. "Dance of the Cossacks," Hermann
6. "A Russian Song," Hermann
7. Medley, "The Blue Bird," Brooks
8. Patrol, "American," Meacham

The game will start promptly at 4 o'clock. Dedicated addresses will be made by Mayor O'Meara and Mayor Walbridge, just before the game starts. Capt. Miller will have Breitenstein and Buckley in the pitcher's box. Pat Killen and Mack will officiate for the Browns. The teams will be as follows:

- | St. Louis    | Pittsburgh |
|--------------|------------|
| Breitenstein | Pletcher   |
| Quinn        | Killen     |
| Warden       | Beckler    |
| Gleason      | Stenzel    |
| Hawley       | Clark      |
| Clark        | Lyons      |
| Robinson     | Denny      |
| Shugart      | Doan       |
| Dowd         | Stenzel    |

## Base Ball Gossip.

This arrangement enables base ball patrons to secure the Post-Dispatch and a score card for 6 cents. The season of the championship season opening to-morrow, "Little Casino" schedule at the park. The schedule will be found very serviceable by regular base ball patrons.

## FRANK JORDAN TALKS.

The Jockey Willing to Ride Yo Tambien for Chris Smith.

Although he looks as fat as a butcher, Frank Jordan, the celebrated jockey, told a Post-Dispatch representative yesterday that he didn't weigh over 124 or 125 pounds.

"I expect to be able to ride 110 pounds by the time the Fair Grounds meeting is inaugurated, and can readily make Yo Tambien to ride 120 pounds; if Chris Smith wants me to ride the horse in the 80 to 90 pound race at Cumberland Park, with Clifford and Caribbea, next Tuesday week," said Jordan.

He said he had been expected to arrive here from San Francisco to ride in the Louisville race, but he has no objections to his jockey riding Yo Tambien in the Nashville match race and for the \$25,000 purse. He said he was a great mare's owner wants him. Schriber, who is the owner of the horse, said he was going to ride the horse in the match race, but he was not sure if he would do, Jordan will, no doubt, go down to ride the city, who are looking for a split split at the Fair Grounds yesterday.

"August Belmont is having a good time in England just now," says Judge Burke. His friend, L. de Rothschild, won the Lincolnshire handicap with Lord Rosebery, and is likely to win the guineas and Derby. The keen enjoyment which Lord Rosebery takes in the racing is very gratifying to Americans, who have a hundred men of his caliber in their midst. Fifty try could place racing on as high a plane here as it is in England. And yet they have their squabbles in England, too, inasmuch as a great deal of talk has

arisen about Clotter and the Grand National, and it is rather unfortunate just now, when we are on the eve of a spectacle revival in this country."

Eugene Leigh, Handspon's trainer and part owner, says he will not only prove the best filly of the year, but the best that has been out in a hundred years. Unfortunately she is not entered in the Futurity, but she is engaged in the Matchless and the Kentucky Oaks. Leigh, both of which events are worth \$25,000 over. Handspon stands 15 1/2 inches and measures 26 inches around the girth. She is by Hanover, out of Spina-way, the dam of Lazarus.

From Memphis word comes that Leigh & Rose traced the bay filly Patria, 3, by Will Johnson, dam Lillie K., by King of the Rovers, to Jockey H. Williams for the bay filly Patria, by Imp. Pirate of Pennance, dam Villacy, by Virgil.

## RACING OFFICIALS.

Men Selected to Conduct the Fair Association Meeting—The Dates.

The Fair Association racing dates, from May 1 to June 22, and executive staff were selected yesterday afternoon. Joseph J. Burke will be presiding judge and general manager of the meeting; Capt. C. W. Bellairs, track superintendent, and J. K. Gwynn, assistant secretary. Ex-Secretary Lockwood remains with the association and will have charge of the gates. John Hoffmeister, who has been Mr. Lockwood's assistant, will handle the same capacity to Mr. Gwynn. At yesterday's conference between Messrs. Clark, Moffitt, Wells, Burke and Bellairs, Mr. Moffitt gave out assurances that both the East Side and Madison tracks would close during the Fair Grounds meeting. General Manager Burke says the racing programme will be ready for publication in a few days. The inaugural handicap, guaranteed to be worth \$2,500 to the winner, and the Club members' handicap, guaranteed \$5,000, least to the winner, will be the features of the season. Both these events are for 3-year-olds and upward. Numerous valuable 5-year-old stakes will also be arranged.

Vice-President Holla Wells of the Fair Association has wagered \$20 against \$1,000 in one of the future races. He has bet on Holla to win the American Derby. Holla was named in honor of Mr. Wells, but the latter wants it distinctly understood that he did not bet on his namesake with much hope of winning the \$1,000. This is the first bet on a horse race that I have made in many days," said Mr. Wells to the writer, yesterday.

## MICHIGAN L. A. W. SQUARES.

Result of the Special Election Ordered by the National Assembly.

DETROIT, Mich., April 15.—The results of the special election of officers for the Michigan Division, League of American Wheelmen, as canvassed are: Chief Consul, R. G. Steel, St. John; Vice-Consul, F. S. Pines, Detroit; Secretary-Treasurer, F. R. Escott, Grand Rapids. The election was held at the national assembly and another one ordered. The Detroit men, who had been denounced as officers of the Michigan division, refused to appear at the election, which closed last night was conducted by national officers.

## SENOR SALINAS DISCUSSES THE BILL INTRODUCED BY SENATOR WOLOTT.

"The Mexican press do not take Senator Wolcott seriously in his pending proposition to coin American silver into Mexican dollars for use by the United States in her commerce with China and Japan—but particularly China," said Senator Salinas, secretary of the Los Dos Naciones. "Certainly he cannot mean that the United States shall have the Mexican dollar and coin the money in the United States mints. That would be a violation of the constitution of Mexico, nor do I think there is a national constitution in the world that would permit it. On the contrary, I think the property of the United States should be silver, and that the United States should send silver to Mexico to be coined into Mexican dollars by Mexico, who would receive the silver for the coinage."

"Now I have calculated that if the United States should send 1,000 ounces of pure silver to Mexico, 1,000 Mexican dollars could be coined therefrom. The \$80 would be sent Mexico's profit in the transaction, the other 1,000 Mexican dollars to be, or, more properly, the property of the United States in their interest with China, where the Mexican dollar is received at the exact value of the silver it contains. But how would that work? Let us

"Mexico is, like the United States, a large producer of silver. In 1893-94, Mexico produced 4,000,000 ounces of silver, valued at \$20,000,000; and in 1892-93, their relative production was 4,000,000 ounces of silver, valued at \$20,000,000. Mexico has, as free coinage, and one of her first needs commercially is a market for her own silver. For the last three centuries Mexico has had control of the Chinese market, and China and Japan have been her best purchasers of Mexican silver dollars, which she has used as money. Now, to claim that she trade a competitor as powerful as the United States, which produces from 60,000 to 80,000,000 ounces of silver a year, would be to kill her trade. The arrangement would be doubly disastrous for Mexico, because Mexico would be little from China, receiving her pay for the Mexican dollars exported to Britain on London; while the United States could use the dollars in buying Chinese products, of which she is a large consumer. So you see Mexico cannot afford to enter into the arrangement proposed by Senator Wolcott. In fact, in a close personal interview, I can papers I am unable to find one that seriously discusses Senator Wolcott's measure. They all make light of it."

Senator Salinas has had ample opportunity to judge of the policy of his Government in Mexico, commerce and foreign relations, and for many years a prominent journalist in Mexico, corresponding to the Post-Dispatch, and by authority of his Government the author of a review of Mexico and its resources, the title of which was "Mexico, Mexico," which was distributed at the World's Fair. Senator Salinas is in communication with the high officials of his Government and in sympathy with all that is going on in St. Louis to secure a solid profitable trade with Mexico.

## Complaints Against Zink.

Mrs. Christopher Lindner of 525 South Fourth street, called at the Prosecuting Attorney's office to-day and made complaint against William Zink, Secretary of Real Estate Building & Loan Association, No. 2, the office of which is on Pine street, between Seventh and Eighth streets. Mrs. Lindner stated that she and her husband have paid into the association during the past four years \$38 and now want to draw out their money. They have gotten \$100 of the amount and borrowed \$100 more. Zink, she stated, claims that the \$100 was not advanced by the association, but by her personally. Of the \$100 she said that they received but \$50, the remainder being kept as interest.

# "Quick Meal"

## Gasoline Stoves.

TOTAL NUMBER NOW IN USE, 295,004.

The marvelous success of "Quick Meal" Gasoline Stoves is caused by their absolute safety against accidents. This absolute safety is acquired in the following manner: The Burners cannot be opened farther than necessary; the Tank can not be taken off for filling unless all the Burners are shut; an Indicator shows whether the Burners are open or closed; a glass Tube shows the dripping of gasoline. "Quick Meal" Gasoline Stoves are durable, simple and economical. These wonderful stoves must be seen to be appreciated. Sales last year, 71,316 stoves. We refer to every one.

Nothing but our willingness to pay cash in these hard times enables us to put such good stuff into these \$13.25 suits. For the usual price of one custom suit to your order we will cut you TWO.
